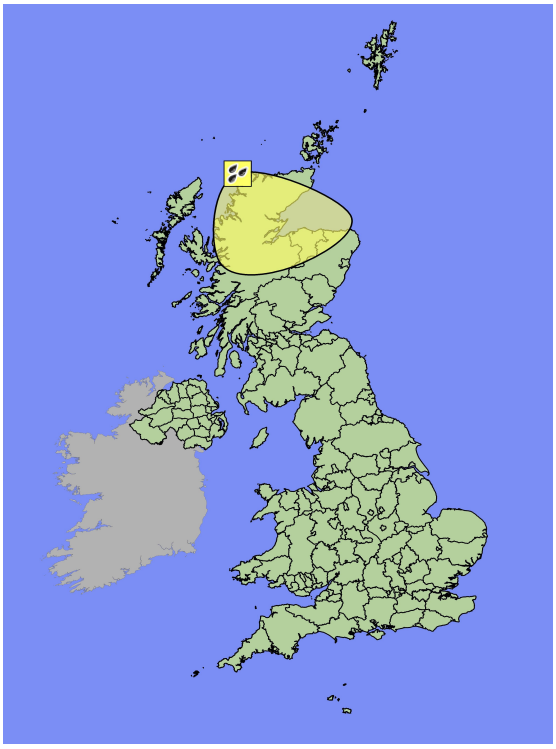
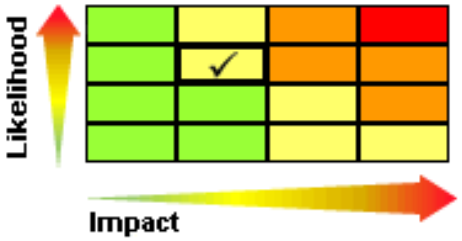
National Severe Weather Warning Service





Chief Forecasters Assessment
At this stage there remains some uncertainty about both intensity and duration of heaviest rain, and there is the risk of the higher totals affecting lower lying areas too, bringing a risk of local flooding.

The Met Office have issued a **Yellow Alert** of **Rain**

Valid from **18:00 on Sat, 16th Jul 2011** until **18:00 on Sun, 17th Jul 2011**

Showers during Saturday will become prolonged and heavy at times on Saturday night and during Sunday. Rainfall accumulations of 25mm are widely expected, locally 50mm over high ground.
